Comfo-Arch

#16-250

Description

A molded featherweight arch. Excellent for sport, work and casual shoes. Easily posted and adjusted. Deep heel cup for great hind foot control. All that is needed to adjust the Comfo-Arch is a pair of scissors and sand paper for the adjustments to the length some patients need.

A great solution for HMO restrictions, non-insurance and hardship cases! Don't let the price fool you, it's a winner!

Available in Extra Small, Small, Medium, Large and Extra Large.
