Hallux Dress Orthotic

Hallux Dress

#28-7006

Description

The Hallux Dress has a stability core that is fully embedded in foam with an extended plate that braces the metatarsophalangeal joint. It is constructed with a black open cell polyurethane foam upper layer and extra soft padding for the heel. The thin profile allows it to fit nicely in all types of shoes especially dress shoes. Machine washable. Made in Germany.

Available in fourteen European sizes.
