## 16 SELECTED QUICK-BUY PRODUCTS

## ORTHOTIC SUPPORT & PRESSURE DISTRIBUTION

### DURAFLEX \$18.35

#### SUPPORT & CONTROL

Durable 3/4-length polypropylene orthotic with integrated metatarsal support; grindable and heat-moldable for clinical adjustment.

**Clinical use:** General orthotic support; metatarsal support; customizable fit

**Key features:** Polypropylene; metatarsal pad; resilient spring action; grindable; thermoformable at 350°F

**Item 28-1011 | Sizes: 35-36 through 47-48 | COO: Germany**

### COMFO ZONE \$39.95

#### PRESSURE DISTRIBUTION & CUSHIONING

Full-length orthotic combining cushioning and support while promoting pressure distribution across the foot.

**Clinical use:** Pressure distribution; cushioning; support; reduction of shear forces

**Key features:** Multiple Shore densities; suede top-cover cutouts; full-length design

**Item 28-7004 | Sizes: 35-48 | COO: Germany**

### COMFO BASIC \$24.50

#### EVERYDAY ORTHOTIC SUPPORT

Low-profile, full-length all-purpose orthotic providing arch, metatarsal and hindfoot support.

**Clinical use:** Everyday orthotic support; hindfoot control; metatarsal support

**Key features:** Low profile; metatarsal support; medial/lateral flanges; hindfoot control

**Item 28-8100 | Sizes: 36-47 | COO: Germany**

### COMFO FLANGE \$28.60

#### SUPPORT & CONTROL

Full-length supportive orthotic with high flanges and strong hindfoot control, designed with soft edges for added comfort.

**Clinical use:** Hindfoot control; stabilization; sport and athletic footwear

**Key features:** High flanges; strong hindfoot control; soft edges; high moisture absorption

**Item 28-7005 | Sizes: 35-36 through 45-46 | COO: Germany**

## ACCOMMODATIVE, HALLUX & COMPOSITE SUPPORT

### COMFO CORK \$19.40

#### ACCOMMODATIVE & GENERAL SUPPORT

Lightweight 3/4-length cork/EVA orthotic that contours to the foot and can be ground or heat-molded.

**Clinical use:** General support; cushioning; customizable fit

**Key features:** 80% cork / 20% EVA; shock resistant; moisture absorbing; grindable; thermoformable

**Item 28-7007 | Sizes: 35-36 through 51-52 | COO: Germany**

### HALLUX TRAINER \$69.60

#### HALLUX / FOREFOOT MANAGEMENT

Full-length polyurethane orthotic incorporating a firm hallux shell and metatarsal support for targeted forefoot management.

**Clinical use:** Hallux support; forefoot management; metatarsal support

**Key features:** Open-cell polyurethane; firm hallux shell; metatarsal pad; antibacterial properties

**Item 28-7003 | Sizes: 36-46 | COO: Germany**

### HALLUX GFC PLATE \$58.60

#### HALLUX / FOREFOOT MANAGEMENT

Glass-fiber composite plate designed to limit great-toe hyperextension in hallux rigidus and turf toe applications.

**Clinical use:** Hallux rigidus; turf toe; limiting great-toe hyperextension

**Key features:** Glass-fiber composite; heat adjustable at 244-266°F; reheatable; remoldable

**Item 23-7001 | Sizes: 35-36 through 45-46 | COO: Germany**

### CARBON CONTOUR \$68.90

#### RIGID & COMPOSITE SUPPORT

Full-length carbon composite orthotic providing rigid, lightweight support in a moldable and grindable construction.

**Clinical use:** Rigid foot support; stabilization; customizable orthotic applications

**Key features:** Carbon webbing/acrylic resin composite; low heat conduction; moldable; grindable

**Item 23-7008 | Sizes: 36-45 | COO: Germany**

## COMPOSITE, EVERYDAY & LOW-PROFILE SUPPORT

### GFC PRECUT PLATE \$50.90

#### RIGID & COMPOSITE SUPPORT

Flat, precut glass-fiber composite insole plate that can be heat-adjusted and remolded for customized rigid support.

**Clinical use:** Custom rigid support; footwear modification; orthotic fabrication

**Key features:** Precut glass-fiber composite; heat adjustable at 244-266°F; reheatable; remoldable

**Item 23-7002 | Sizes: 37-45 | COO: Germany**

### ORANGE FULL LENGTH \$18.00

#### EVERYDAY ORTHOTIC SUPPORT

Full-length cushioned orthotic combining a deep heel cup, metatarsal support and medial arch support.

**Clinical use:** Everyday support; cushioning; arch and metatarsal support

**Key features:** Deep heel cup; metatarsal pad; medial arch support; full-length cushioning

**Item 11-200 | Sizes: A-L | COO: USA**
